

**"Anyone who chooses the Alaska experience at Sitka Point Lodge will not be disappointed. I highly recommend the Lodge and the fishing. Be ready to catch some huge fish!"
Jenny Brock, FWF Board member**

Dear Friend,

Have you ever felt you'd like to "get out of town" for a while and enjoy the outdoors? Would you like to have the adventure of a lifetime?

Here's your chance to win a fantastic trip in Florida Wildlife Federation's Fish or Cruise Sweepstakes. By taking part, you could win a fantastic travel prize or \$10,000 in cash while at the same time making an important contribution to the cause of conservation in our state.

GRAND PRIZE Choices!!

Enjoy a Luxurious Cruise to a Destination of Your Choice.

Through an agreement with Costco Travel, we are able to offer our winner an amazing menu of choices for cruises spanning the globe. As the winner, you may choose to travel alone, take one companion or even include the entire family, as long as the total cost does not exceed \$10,000.

Here are a couple of examples. I wonder which one will suit YOU best?

How about taking it easy on an Eastern Caribbean cruise? Sail away to paradise on Norwegian Epic, one of Norwegian Cruise Line's most awarded ships. Discover hidden caves and secluded sea pools among mammoth gray boulders at The Baths of Virgin Gorda. Watch green sea turtles glide in the ocean and graze on sea grass on St. Thomas. Then wiggle your toes on a warm, white-sand beach while sipping a frozen daiquiri on Great Stirrup Cay, their private island in the Bahamas.

Or, if you want to venture further afield, you can explore the fabled Panama Canal, Jamaica and visit South American ports on Princess Cruises "Coral Princess." Departing from Fort Lauderdale, you'll visit Cartagena, Columbia, the Canal and Ocho Rios, Jamaica.

A dream more than 400 years in the making, the Panama Canal opened in 1914 and this epic man-made marvel changed the world in the process. There's no better way to discover this colossal wonder than with Princess Cruises. Expert narration will enlighten you as your ship passes through the locks, and you'll dine on authentic Panamanian cuisine.

Or, if fishing is your passion, why not see what Alaska has to offer?

Spectacular Scenery, Huge Fish in Alaska. If you choose this prize, you and a companion will spend five days at the fantastic Sitka Point Lodge in Southeast Alaska. You'll have lodging and meals provided, plus enjoy daily fishing trips with tackle and gear included. The resort will even freeze and

pack your fish for shipment home!

Sitka Point Lodge attracts anglers of all skill levels and treats them very well. FWF Board member Jenny Brock is a frequent guest there. From all around the world, guests return to Sitka Point Lodge year after year to enjoy the personalized service and unique guest experience. And you will marvel at the staggering number of trophy-size salmon and halibut you will catch and the Alaska fishing stories and memories you will create

Finally, if you'd rather stay closer to home (and maybe craft your own vacation) you can choose a cash prize of \$10,000.00!

To enter the Fish or Cruise Sweepstakes, just fill out the attached tickets and send them back to us in the enclosed envelope with a contribution of \$5 per ticket, or all 6 tickets for \$25. You can also order 15 tickets for \$50 or 35 tickets for \$100. (We've enclosed six tickets to get you started. If you'd like to purchase more, just enclose a check for \$50 or \$100 and we'll fill out the additional tickets in your name!)

Act now! The drawing will be held at the FWF offices on Thursday, June 22, 2017.

Proceeds will be used right here in Florida to pursue vital fish and wildlife conservation programs from the Everglades to the Escambia River. By supporting the Federation, you'll help us maintain our efforts in promoting fish and wildlife habitat conservation on both public and private lands, wetland protection, sound coastal conservation policy, clean air and water initiatives, Everglades restoration and conservation land protection.

If you believe, as we do, that all citizens and visitors benefit from a clean, healthy and productive environment, and that our state's future will be brighter with natural habitats intact and flourishing, please support the Florida Wildlife Federation by participating in the **Fish or Cruise Sweepstakes!**

Thank you and good luck!
